Ciara Walsh

Financial Analyst

SUMMARY

Financial analyst with four years in retail and technology finance, building forecasts and management reports that leadership uses to set budgets. Known for turning month-end numbers into clear recommendations for non-finance teams.

EXPERIENCE

Financial Analyst **2022 – Present**
Retail Holdings, Cork

- Built the rolling twelve-month forecast in Excel and Power BI for a business with 300 million euro in annual revenue.
- Cut month-end close from eight days to five by automating reconciliations with SQL.
- Prepared monthly management accounts and variance commentary for the board.

Graduate Accountant **2020 – 2022**
Big Four Firm, Dublin

- Audited financial statements for clients in retail and manufacturing under IFRS.
- Supported due diligence on two acquisitions, analysing working capital trends.

EDUCATION

BComm, University College Cork **2020**
